WELCOME TO AMIGA

AS OWNERS OF A SOFTWARE STORE WE'VE SEEN MANY COMPUTERS COME AND GO. IT'S BEEN A CONFUSING MARKETPLACE FOR THE CONSUMER WHO HAS BOUGHT A COMPUTER ONLY TO FIND IT BECOME OBSOLETE AFTER SIX MONTHS.

THEN CAME THE AMIGA !! THIS IS THE MOST POWERFUL AND VERSATILE PC ON THE MARKET FOR THE MONEY AND DUE TO IT'S OPEN ARCHITECTURE IT WILL NOT BE OUTDATED FOR YEARS TO COME. NO MORE HAVING TO BUY A WHOLE NEW COMPUTER AS NEW TECHNOLOGY ARRIVES. THE AMIGA IS SET UP TO WORK WITH YOUR STEREO, VHS, EVEN LASER DISC TECHNOLOGY WHICH IS ONLY MONTHS AWAY. AND AS FAR AS SOFTWARE AVAILABILITY, THERE ARE MORE PROGRAMS BEING DEVELOPED FOR THIS MACHINE UPON IT'S INTRODUCTION THAN ANY OTHER PC INTRODUCED.

WE ENCOURAGE YOU TO TAKE A CLOSE LOOK AND SEE WHY WE BELIEVE THE AMIGA WILL HAVE THE BRIGHTEST FUTURE OF ANY PC TO DATE.

PRICE LIST
